

LESSON TWO
TOPIC: TEACH THEM TO SEEK GOD
TEXT PS 34:10 -16

MEMORY VERSE: Isa. 55:6-7. Seek ye the Lord while He may be found, call ye upon Him while He is near. Let the wicked forsake his way, and the unrighteous man his thoughts, and let him return unto the Lord and He will have mercy upon Him and to our God for he will abundantly pardon.

CENTRAL TRUTH: Every parent desires children who fear God, love Him and do what is right irrespective of the prevailing influences around them. Just desiring that does not guarantee such children in the home rather intentionally teaching the children and guiding them to personally know God brings out God's purpose in their lives.

Introduction: The careless or non-challant attitudes of raising godly children either due to their unavailability or negligence, push many children into the waiting arms of this perverse world. Many ungodly influences are exerting pressures on them to push them away from the Lord but the good news is that God is ever ready to be found by all who seek Him. Matt 7:7, Is 55:6.

Lesson Outlines:

To seek the Lord means to actively pursue a relationship with him through prayer, worship, service and living according to His will.

1. Seeking God through prayer: Children should be taught how to pray by praying with and for them, encouraging them to always pray at all times whatever the situation may be. Help them to understand that God is ever ready to hear and answer our prayers. Help them to take prayer as their life wire. There is enormous power at his disposal through prayer, its prayer or

nothing.

2. Seeking God through worship: God inhabits the praises of His people Ps 22:3. God's presence, power and miracle are uniquely experienced and manifested when we approach Him through praises and worship. Acts 16:25. The place of worship in the family is very important and children should be taught to channel their time spent in worldly activities and songs to worshipping and praising God.

3. Seeking God through service: When we make ourselves available to do God's work, He gets committed to our matters. He does not owe anyone. Col 3:23-24, 1 Peter 4:10-11. Children should be taught to take pleasure in doing the work of the Lord. No one is too small or young to service in the Church, there must be something to do for God. Encourage them to engage and be involved in serving God. Let them apply their energy to the service of God and ensure they integrate into God's work in the church.

4. Seeking God through doing His will: Jer 29:13-14 When we seek God from our heart, not just for what He will do for us but for who He is, we find Him. Prov 16:3. Living in God's will is a show of reverence to Him and He does not despise those who put their trust in him. Prov.3:6

CONCLUSION: "But Seek ye first the kingdom of God and His righteousness, and all these things shall be added to you" Matt 6:33. Teach the children to make God the primary focus in their lives.
